The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbsok.com/bb/ind/bb_gh3d08baviokp_ok_2025.pdf or by calling 1-866-520-2507. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 at Indian Health Care <u>Provider</u> (IHCP) or with IHCP <u>referral</u> at non-IHCP; or <u>Network</u> : \$750 Individual/\$1,500 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Services from Indian health care providers, preventive health, primary care services and certain prescription drugs are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$9,200 Individual/\$18,400 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.bcbsok.com/myblue or call 1-866-520-2507 for a list of network providers.	You pay the least if you use a <u>provider</u> in IHCP <u>Network</u> . You pay more if you use a <u>provider</u> in Non-IHCP <u>Network</u> . You will pay the most if you use an <u>out-of-network</u> <u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
