The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbsok.com/bb/ind/bb shsd68bavioko ok 2025.pdf or by calling 1-866-520-2507. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-855-756-4448 to request a copy.

| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| What is the overall deductible?                                      | \$5,500 Individual/\$11,000 Family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. Preventive Health care, primary care services, and certain <u>prescription drugs</u> are covered before you meet your <u>deductible</u> .                                 | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other <u>deductibles</u> for specific services?            | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$6,050 Individual/\$12,100 Family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Premiums, balance billing charges, and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://www.bcbsok.com/myblue">www.bcbsok.com/myblue</a> or call 1-866-520-2507 for a list of <a href="https://www.bcbsok.com/myblue">network</a> providers. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider before you get services</u>.</u> |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | Yes.   | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
